" English on location in Kent and Sussex "

South East England is one of the most beautiful parts of the country, and offers easy access to London and continental Europe. Residential courses are available for Closed Groups all year round in Kent, the Garden of England. The international summer course is based at our residence in Sussex, close to a number of popular south coast seaside resorts.

1 Lessons

The course is designed with young learners in mind. Lessons are largely activity/project based with an emphasis on having fun whilst learning. Teachers are especially chosen for their friendliness and experience with younger students.

2 Activities

There is a full leisure programme consisting of sporting activities, museum and castle visits, day trips to local towns and London.

3 Location

Year round closed group courses are run on the Isle of Thanet in east Kent, with its fine sea views and sandy beaches, and only 15 miles from the world heritage city of Canterbury. The international summer course takes place in July and August in the beautiful Sussex Downs Area of Outstanding Natural Beauty close to the famous seaside resort of Brighton.

4 Accommodation

Both of our locations offer the perfect combination of bright, modern, purpose built residences on the site of traditional old-style English boarding establishments. Courses are supervised by our own centre manager and dedicated activity staff. Most of the accommodation is in single rooms with shared bathrooms. All meals are provided.
